### Product description

The key to a warm welcome and efficient and friendly meetings, this tray will offer everyone a varied assortment of tea / coffee / chocolate, milk pods, sugar, stirrers and spoons.

The central compartment is designed to hold the Small Waste collector or the Sweet Box for an easy transportation. However there still remains a storage space below the collector/box for your condiment items for maximum storage place efficiency.

It can then very cleverly be stored on top of the module unit next to your coffee machine/kettle for space saving and minimal intrusion into your kitchen space.

Ergonomic handles make it easy to hold.

The four-colour packaging is an ideal solution for in-stores sales.

Capacity: 24 tea bags (size 4) + 30 sugars (size 4) + 14 milk pods + 80 stirrers + 8 instant coffee sticks + 10 mignonette chocolate.
